- **Reserving courts**  
Courts may be reserved by individuals for in-club tournaments; however, it is preferred that these arranged matches take place outside of normal club sessions as listed above.  
The committee can block book courts for tournaments and matches.  
The coaching timetable is available from the website and the notice board.  
**NB:** In addition to their timetable, the coaches reserve the right to always use one court (court 3). If all five courts are busy, and a coach has a lesson, the players on court 3 will be asked to step aside and wait for another court to become free.

Visitors are welcome to play at the club and can pay £3 per session. A maximum of 3 visits in any one year is permitted, after which, visitors may be expected to join the club or cease using the courts. Visitor fees paid before joining are not deductible from the annual subscription payable.

This category is not a full membership, and those members must pay a £3 Visitors Fee if they play with anyone other than their child. This category of membership has no voting rights at club meetings.

The club is administered by a committee, which meets on a regular basis. Recent minutes are available by emailing the club secretary and are displayed in a folder in the clubhouse. The committee welcomes suggestions – by email or directly to a committee member. See website [www.wedmoretennis.co.uk](http://www.wedmoretennis.co.uk) for contact details.

Summer League matches run from April to July, from 6pm Monday evenings (Men’s) and from 6pm Tuesday evenings (Ladies). Both evenings all five courts are reserved for league tennis.
